

## Webinar – Linkage to and Retention in HIV Care

**January 14, 2016**

**12:00 – 1:00 PM (CST)**

### ***Speaker:***

Jeffery Erdman, HIV Prevention Lead Agent and Assistant Director for Programs and Compliance, Illinois Public Health Association

### ***PROGRAM OBJECTIVES***

*Upon completion of this program, participants should be able to:*

1. Describe barriers that inhibit linkage to HIV care and reasons that individuals are lost to care
2. Describe barriers that inhibit retention in HIV care
3. Illustrate how to integrate linkage and retention strategies in clinical practice settings
4. Describe the specific needs of Chicago Metropolitan Area, as it relates to needs in linkage to and retention in HIV care

***Registration:*** Online registration is required at <http://bit.ly/qmwebinarjan142016>

***Webinar Information:*** This will be an interactive webinar (*registrants will receive further details in their confirmation notice*).
